REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: claims 1-6 are allowed over the prior art of record because all of references of the record, viewed as closest prior art and considered alone or in combination, fails to suggest or fairly teach an objective lens driving device for an optical head including a base part on which a lens holder is provided and which also comprises: a pair of fixed magnets arranged so as to be opposed to tracking coils and focusing coil of the lens holder to thereby act thereon; a pair of right and left tilt angle correcting coils for correcting the tilt angle which are connected in series and arranged so as to be respectively opposed to movable magnets to thereby act thereon; and power supply lines for supplying control currents to the tilt angle correcting coils; and wherein driving amounts in a track direction and in the focus direction are controlled by the control currents supplied by way of wires to the tracking coils and focusing coils, and a driving amount in the tilt angle direction is controlled by the control currents supplied to the tilt correcting coil by way of the power supply lines.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
